iPhone8

iPhone 8 is a smartphone designed by Apple Inc. It is the eighth generation of iPhones, succeeding the iPhone 7. It features a 4.7-inch screen, a dual-camera system, and is available in space gray, silver, gold, and rose gold. The iPhone 8 is also the first iPhone to feature a glass back, which is available in clear or black. The phone is powered by the A12 Bionic chip and runs iOS 12. The iPhone 8 is available in two storage capacities: 64GB and 256GB. The price of the iPhone 8 starts at \$599 for the 64GB model and \$799 for the 256GB model. The iPhone 8 is expected to be released in September 2017.
